Starting Sunday, May 18th, Hope Lutheran is going informal. Our new adult bible study will be informal. Our dress for church will be informal. No suits, no ties, no robes, no stoles, it's time to go casual! Of course, if you will only wear suits and ties you are free to come as you want in a suit and/or tie.

Normal dress returns in August, or you can stay as you are!

Let's have some fun! Let's not take ourselves too seriously! We still respect and give reverence to the things that matter most like: Bible studies, sermons, and sacraments. Our reference will come via our attitude, focus, and participation!

Wear what you want and wear it on Sundays—you can clash!

Faith-based discretion advised.
